WHITNEY OAKS  
CLUBHOUSE

OVER 100 YEARS AGO,  
J. PARKER WHITNEY  
LIKED THIS LAND TO EDEN.  
TODAY, A NEW  
GENERATION CALLS  
WHITNEY OAKS HOME.

Here, in peaceful enclaves, residents are surrounded by a beautiful natural environment. Homes are scattered along rolling hills, among oak groves and adjacent to the spectacular 18-hole championship golf course. All this peace, tranquility is just minutes from business centers, freeways, services and the Galleria.

Tree lined streets, pocket parks, community recreation centers with pools and miles of trails grace Whitney Oaks. As history unfolds, respected builders present a host of new home choices, for families of all shapes and sizes.
